# MISSOURI SHORTHORNS

# Payoff

## for leading herds everywhere

It is highly significant that Missouri bred Shorthorns are doing a great job in leading herds all over America. Missouri Breeders have long realized that the quickest, easiest and most satisfactory manner of acquiring breed improvement was through the use of better sires. Therein was the challenge—the challenge to the leaders to secure and to produce enough genuine breed improving sires to meet that demand and a challenge to all others to lose no time in installing them in their own herds as they became available. It is further significant that, at the present time, two former Supreme Perth Champions are now in active service in Missouri herds. At the last International Livestock Show both the Grand Champion and Reserve Grand Champion bulls were Missouri bred and produced. The Grand Champion female was of a famous Missouri blood line and the dam of the Reserve Grand Champion female was produced in Missouri.

It is only natural, then, that you should expect to find and will find the kind of animals in this sale that can carry your herd to success. In this sale you know the kind of breeding you are buying so I urge you to be on hand March 20 to take home some of these "Souvenirs from Sedalia."

## Free Freight Offer

The American Shorthorn Breeders' Association will reimburse up to a maximum of \$200.00 for freight charges only on ten or more lots of cattle purchased by one or more buyers in this sale and to be shipped by rail to a final point 300 miles or more distant.

## *General Information*

**TIME**—The show will be held at 9:30 a.m. and the sale at 1:00 p.m.

**LOCATION**—The Show and Sale will be held in the comfortable Pavilion at the Missouri State Fair Grounds, Sedalia, Missouri. Sedalia is easily reached by main line train, bus or plane. Consult your local ticket agent. Hotel Bothwell will be sale headquarters. Make your reservations well ahead of time.

**TERMS**—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will assist in loading on cars or trucks in compliance with instructions from purchasers.

**GUARANTEE**—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. All cattle have been blood tested for Bang's disease within 30 days of the date of this sale. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at the buyer's costs of transportation.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

All animals in this sale have been tested for tuberculosis and Bang's disease and health charts will be provided.

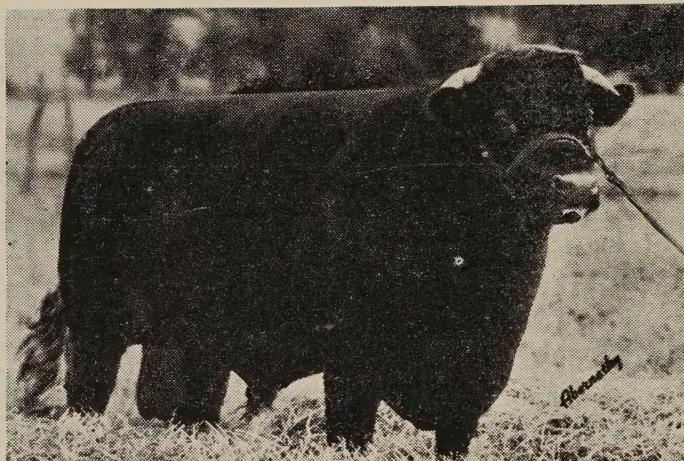

We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

Those wishing to buy at this sale who cannot be present may send their bids to the Sale Manager, Mervin F. Aegeuter of The Shorthorn World; Don Bowman of the Missouri Ruralist; Wally Gladish, Drover's Telegram, Kansas City, Missouri; C. K. Tomson, Secretary, American Shorthorn Breeders' Association, U. S. Yards, Chicago, Illinois; C. D. Swaffar, Fieldman, American Shorthorn Breeders' Association, 1111 South Pittsburg, Tulsa, Oklahoma, or to the Auctioneer J. E. Halsey, Box 1317, Des Moines, Iowa.

Missouri Shorthorn Breeders dinner and meeting at Hotel Bothwell the evening of March 19, at 7:00 P. M. All Shorthorn Breeders and their friends invited to attend. Make reservations with Secretary, James E. Comfort, Columbia, Missouri.

# Missouri State Department Of Agriculture Awards

---

The State of Missouri, Department of Agriculture, will award to all animals in each class that can qualify as blue ribbon, red ribbon, and white ribbon animals, their respective earned ribbons and a cash premium of \$6.00 for Blue, \$4.50 for Red, and \$3.00 for White.

These awards are made possible through an appropriation by the Missouri Legislature to encourage the production, distribution and use of better breeding animals in Missouri.

## *BLUE RIBBON Animals are excellent individuals.*

Only animals of outstanding quality, unusually good type, symmetry, and conformation, in sufficiently good flesh and adequately fitted to demonstrate fully their qualifications will be placed in this group. These are animals of unusual merit that would in every case be a valuable addition to the top breeding herds of the state.

## *RED RIBBON Animals are superior individuals.*

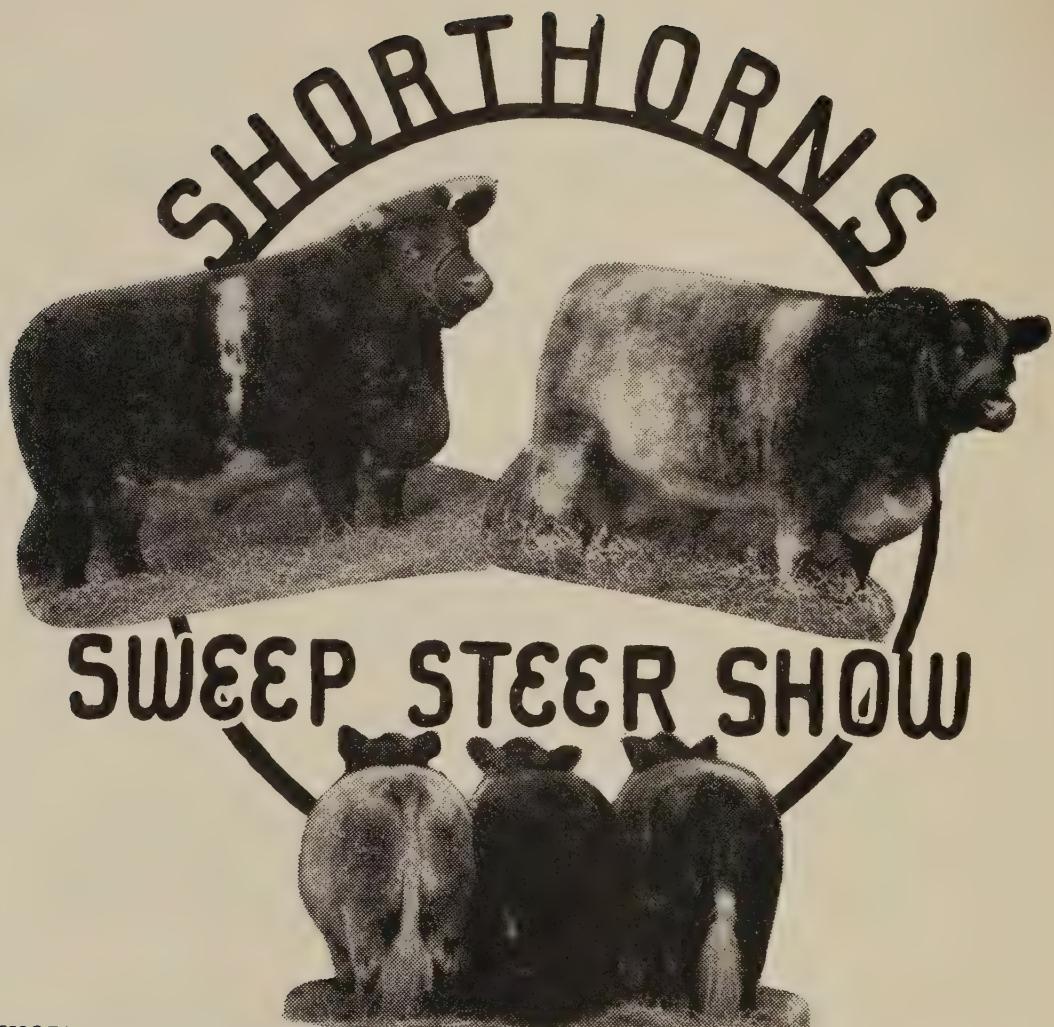

Only animals of superior quality, of good type and without any major defect, plainly demonstrating the superiority of their qualifications will be placed in this group. These animals should be sufficiently good to improve any commercial herd and most small breeders' herds.

## *WHITE RIBBON Animals are good individuals.*

Animals of somewhat less desirable type and with one or more rather objectionable characteristics may be placed in this group. These are animals that would improve commercial herds and would in every case be superior to grade and scrub animals.

Animals which are not superior to high grade stock will be unclassified.

Either Rollo E. Singleton or R. T. Thornburg of the Livestock Division will distribute the awards at the show starting at 9:30 a.m. on Sale Day.

## SHORTHORNS SWEEP STEER SHOW

SHORTHORN STEERS made a clean sweep of the *GRAND AND RESERVE GRAND CHAMPIONSHIPS* over 1,425 head of all breeds at the 1946 Chicago International Livestock Show. They went on to win the champion three-steer and get-of-sire groups over all breeds for the first time in the 47-year history of the International, when one breed monopolized single and group championships. The Grand Champion later sold at a new all-time record for the Chicago International of \$10.50 a lb. to total \$14,490 to the Firestone Tire and Rubber Co., Akron, Ohio. He immediately began a 22,000 mile educational tour of the country in a \$12,000 specially constructed trailer. Watch for notice of these exhibitions in your territory. (The Shorthorn steer,

Tomahawk, was Grand Champion of the 1945 Chicago Fat Stock Show and set the then International record of \$10 a lb.)

Shown above (left) is the Grand Champion, ROYAL JUPITER; (right) the Reserve Grand Champion, WYOMING CHALLENGER STANDARD; and (below), the winning three-steer group including the reserve grand champion.

These steers demonstrate the well-established Shorthorn profit characteristics combining greater weight with modern type and choice quality conformation. The Grand Champion steer weighed 1,380 lbs. at 22 months of age. *Extra pounds produce extra profits. REMEMBER—Shorthorns, Best in Every WEIGH!*

## Fastest Growing Membership

1942	1943	1944	1945	1946	5-Year Total
1,335	1,829	1,757	1,910	2,096	8,962

The all-time high of 2,096 members joining the American Shorthorn Breeders' Association in 1946, followed by the all-time 5-year record for any beef breed of 8,962, now puts the Shorthorn Breeders' Association in the lead as the fastest growing beef breed association. In 10 years, annual registrations have

doubled and transfers have jumped 144 percent. Save 50% in recording and transfer fees by joining America's most popular beef-milk breed association. For complete information write to American Shorthorn Breeders Association, Dept. SC-2, Union Stock Yards, Chicago 9, Ill.

# Show Classification

Show to be held at Missouri State Fair Grounds at 9:30 A. M., Thursday, March 20, 1947.

For the purpose of this Show the sale cattle have been divided into groups according to age and sex. The State of Missouri Department of Agriculture will award ribbons and cash prizes as explained elsewhere in this catalog. The Missouri Shorthorn Breeders Association offer \$300.00 in cash prizes and the Sedalia Chamber of Commerce is offering silver trophies for the Grand Champion Bull and Grand Champion Female. The American Shorthorn Breeders Association, Chicago, Illinois, is also furnishing handsome premium ribbons for the Champions and Reserve Champions.
